here for celebrate on zoom the
III World Logic Day.
on January 14, 2021 03:30 PM, Rome
Meeting ID: 739 5547 2936
Passcode: e1rG9v
<https://en.unesco.org/commemorations/worldlogicday>**

The proclamation of the World Logic Day by UNESCO and the International Council for Philosophy and Human Sciences (CIPSH) aims to bring the history, conceptual significance and practical implications of logic to the attention of the interdisciplinary science community and a broader public.

We will organize a round table starting from the publication of the book “The Logic of Social Practices”, (R. Giovagnoli & R. Lowe Eds.) Springer, 2020,
<https://www.springer.com/gp/book/9783030373047>
